About us

Denise and Jenny set up a business partnership in 2006 taking over Prestons Coffee Shop/Restaurant in the heart of East Preston village.

In 2007 we established Prestons Catering supplying homemade cakes and gateaux, sandwich platters, finger and fork buffets. We have catered for all occasions /events including corporate, wedding buffets, bereavements, christenings and parties etc.

In August 2013 we changed our name to Pebbles Catering, selling the Restaurant side of the business and moving to new premises within the village. Denise has been working in the catering trade for many years, training in Worthing then moving to London where she worked as 2nd Pastry Chef in the Mayfair Hotel. Other experience involved catering management of a large garden centre.

Jenny worked for Lloyds TSB Bank for over 30 years her duties spanning from PA roles to Finance Business Manager. She is now semi-retired . Jenny undertakes the back-office and account tasks for Pebbles.

In 2021 due to Covid we closed our shop. Denise has now taken over the business, working from home.
